

### Remarks

Claims 1-26 are pending in the application. Claims 5-7 have been amended. Claims 1-4 and 13-26 have been canceled. Claims 27-30 are new. No new matter has been added. Support for the new claims and claim amendments can be found throughout the application (e.g. page 31, line 17, to page 32, line 14). Importantly, the claim amendments and cancellations are being made solely to respond to the issued restriction. The Applicants expressly reserve the right to prosecute further the same or similar claims in subsequent patent applications claiming the benefit of priority to the instant application (35 USC § 120).

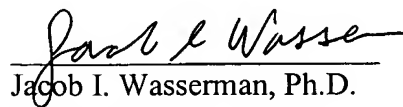

In response to the Restriction Requirement in the above-identified application, the Applicants respectfully elect **Species 6**, drawn to general structure F with traverse, to the extent that no undue burden would be required to search all the species. Further, as required under 35 USC § 121, the Applicants respectfully elect the species represented by F16 (ID 274873), as depicted below.

The Applicants believe no fees, other than the extension of time requested herewith, are required in connection with the filing of this paper. Nevertheless, the Director is hereby authorized to charge any required fee to our Deposit Account, **06-1448**; Reference **HMV-060.01**. If a telephone conversation with Applicants' Agent would expedite prosecution of the above-identified application, the Examiner is urged to contact the undersigned.
